Forecast for Thursday 03 Nov 2022

Weather: A few showers through the night, some clear spells too and quite windy, although winds gradually easing. A showery morning with a few heavy showers and possibly some thunder too. Showers tending to ease during the afternoon with some sunny intervals. Mainly dry through the evening.

Chance of cloud-free hill tops above 600m: 70% rising to 95%, some low cloud in early showers.

Low cloud and visibility: Visibility will be good generally but falling moderate in any showers. Periods of scattered cloud around the hill tops in the morning, with cloud layers around 600m but this should be temporary with showers moving through quite quickly. Just a few patches lingering in the afternoon mainly around western areas.
